# Our Six Pillar Strategy to Enhance Value & Generate Growth

# Commercial Principles

The background is a complex, abstract composition. On the left, a grayscale image of a human hand is visible, palm facing forward. Overlaid on and around the hand are several 3D geometric elements. Two prominent green, translucent, triangular prisms are positioned diagonally, one in the lower-left and another in the upper-right. These are surrounded by a network of thin, gray wireframe lines that form various polyhedral shapes, some of which are semi-transparent, creating a sense of depth and interconnectedness. The overall color palette is muted, with grays, whites, and the vibrant green of the prisms.
